

Hello Friends,

Mark your calendars for Friday August 6 from 4:00pm - 8:00pm as we will host Chef John Sarich, Culinary Director for Chateau Ste. Michelle Estates for a book signing! Chef Sarich's new cookbook "Chef in the Vineyard: Fresh and Simple Recipes from Great Wine Estates". Joining us in this event are our neighbors from BookBay and the event includes one of Chef Sarich's recipes that Gail is preparing (no pressure!) along with his suggested wine pairing. There is no charge to visit, meet Chef John Sarich and taste one of his recipes and a wine sample. However, we will have books available for purchase and we'll have a special wine tasting in the shop of wines mentioned in the book. If you purchase Chef's book, we'll offer a 10% discount on the selected wines!

Stop by!

Hope to see you there!
